

C925 KickStart Summer Camp

All athletes play to win a prize that will fade away, but we do it for an eternal prize." 1 Corinthians 9:25

C925 KickStart is a fundamentals soccer program for ages 3-7. The program is based upon our core skills program to ensure that each player is having fun, learning the core soccer skills, become comfortable with a soccer ball, and developing a love for the game. Focusing on a combination of games and training exercises developed over years of experience, KickStart creates the foundation for young soccer players and is essential for future progress. The goal is to start to develop a confidence with the ball that will allow for creative players in the future.
